### More Information about Trinity Center's Guestrooms

Trinity Center's guestrooms have been carefully constructed within the natural beauty and tranquility of the maritime forest. Our rooms are divided into 4 housing clusters. Each cluster contains 8-12 rooms. Amenities per room include one double and one single bed, private bath with stand-up shower, a dresser, vanity, and nightstand with alarm clock and reading lamp. Linens (bed sheets and bath towels) are provided for most groups. To maintain the retreat atmosphere, we have purposefully left out the telephone, TV, and internet connection. We do not offer daily maid service.

The rooms are conveniently clustered around a common Living Room. Simply walk out your door, cross the deck and enter the Living Room to find comfortable couches and chairs, coffee tables, cable TV/DVD, kitchenette with small refrigerator, microwave, coffee maker with coffee supplies, and a gas log fireplace. This space is perfect for after-hours gatherings, movie watching or just hanging out. Although we lack internet in the guestrooms, wireless is available in the Living Rooms.

### Information about Meals at Trinity Center

Our dining facility is open 7 days a week and offers three delicious meals each day. Guests dine buffet style in a large dining room with the capacity to host gatherings of up to 225 people at one sitting. A carefully planned, well-balanced menu will be provided by an experienced food service staff. Trinity provides healthy meals served with fresh fruits and salads daily. Please provide any special dietary needs you may have (i.e., diabetes, vegetarian, food allergies) to [David Baggett](#).
